Enjoy a retreat at the ocean in Cannon Beach where it's...

- Free of distractions
- Peaceful
- Spiritually refreshing and renewing
- Full of opportunities for exploration, recreation, and having fun

"Your staff, the facility, and the area was so much a part of being infused with God's peace and refreshing."

Cannon Beach Christian Conference Center is located on the rugged and beautiful north Oregon coast in a popular town filled with fine shops and galleries. Near Ecola State Park and Haystack Rock, there are tidal pools, wilderness hikes, and simple strolls in the sand at the ocean's edge. As the waves crash upon the shore, seize the chance to be still and listen to the voice of your Creator.

"This is my favorite place to meet God! There is no better place to experience His power and majesty but at the coast."
