CONCERNING AVAILABILITY

These are the current weekends available on our calendar for the next 12 months. Due to existing groups that re-sign for the same date each year, we are often unable to determine availability more than 12 months in advance. This information is for weekends only. We have many mid-week openings and encourage you to call us to discuss availability.

Please note that availability is subject to change at any time and we will book all openings on a first-come, first-served basis. We will update this information on the second and fourth Fridays of each month and will occasionally make addition periodic updates if an unexpected cancellation occurs or if one of these dates is contracted.

All bookings are subject to the contractual terms outlined by Cannon Beach Christian Conference Center. We encourage you to call one of our Retreat Coordinators to discuss group requirements prior to discussing availability.

To inquire about specific dates call one of our Retreat Coordinators at
