

Electronic Funds Transfer (EFT) is a convenient way for you to make your contributions at the same time each month, even if you are away from home.

You control the amount of your monthly gift and can cancel at any time.

Simply return the authorization portion of this brochure with your signature and a voided check or a credit/debit card number. We'll take care of the rest.

EFT saves money by eliminating the postage, paper, and labor costs of a regular transaction. It is convenient and saves time.

It is safe. No more concerns about checks being lost in the mail. Your personal information is kept in strict confidence by the CFO and Business Manager of CBCC.

## FAQs (Frequently asked questions)

Q: Can't I automatically send a check each month?

A: Yes. If you set up online banking with your bank, you may ask for a repeat transaction that will automatically send a check to CBCC each month.

Q: What if I want to transfer directly to CBCC's bank account?

A: You would need to request from CBCC's Business Office our bank routing information. Transfers have fees attached and should be limited to larger one-time transactions.

Q: Who do I call at CBCC for changes or questions?

A: Call (503) 436-1501 and ask for our Business Manager, Carl Sandeen.

Q: How do I make a one-time credit card donation?

A: Call our Registration Office where one of our Registration Specialists will be glad to assist you. You may also use this form and write on it "ONE TIME ONLY".
